

## PROJECT OVERVIEW

The Utah Department of Transportation (UDOT), Utah Valley University (UVU) and the Utah Transit Authority (UTA) are working together to study, design and construct a pedestrian bridge over Interstate 15 between UVU and the Intermodal Center in Orem. Currently, UDOT is working on the final design and will soon move into construction in early Summer 2019.

## BENEFITS

- Provide a pedestrian and bicycle friendly route between UVU and the Orem Intermodal Center.
- Enhance safety and improve traffic-flow by separating pedestrian and vehicle traffic in the area.

## FUNDING

FUNDING (TIF)	
UTA	\$4M
UVU	\$6M
UDOT	\$20.76M
<b>Total Cost:</b>	<b>\$30.76M</b>
